# OTPrint Testimonials

## Creative Print Group exceeds 30% growth with OPrint

*"I can't begin to measure the benefits that I have gotten from **OTPrint**. My company simply wouldn't be as successful as it is today. **OTPrint** has adapted to the dynamics of our growing business and has made it easy for us to grow to the next level."*

-Brian White, President - **Creative Print Group**

## Z<sup>3</sup> Graphix Boosts Productivity with OPrint

*"The **OTPrint** solution offers extreme flexibility allowing us to adapt the software to fit our business model. The ability to easily add new equipment, change existing, and capture the production activity is fantastic. With **OTPrint**, our entire team sees the same up-to-date view of plant operations, instantly at any time during the day."*

Jeff Goff, Director of Operations - **Z3 Graphix**

## Instant job feedback to customers enables American Printing to raise the stakes in a competitive market

*"Automating our operation with **OTPrint** has allowed us to grow in a very challenging market. We have become significantly more effective in managing jobs. Being able to tell a customer the status of their job in seconds, instead of walking through the plant to track it down, was a direct contributor to improved customer satisfaction".*

-Paul Carroll, President - **American Printing**, Providence, RI

## Frank Gumpert Printing adds OPrint software versus headcount to achieve growth targets

*"With **OTPrint**, I have been able to grow my company and improve the efficiency of my organization, instead of adding headcount. Payroll savings alone have been greater than \$150,000. The payback period for the software investment was 3 months. The key benefit is fast and accurate estimating – we deliver quotes faster, win more jobs, and earn more profit on the jobs we produce."*

-Jeff Ostenso, President - **Frank Gumpert Printing of Annapolis**
